Ambition: To have a big home of my own and a big family, with lots of dogs and birds.

Turn-ons: Candlelight dinners with soft music and a nice bottle of white wine. Lots of romance.

Turnoffs: Jealous women, traffic, trash.

On lingerie: My favorite? Lacy thong panties in light pink. Going out, I'll sometimes wear a see-through body stocking under a black jacket.

My last meal would be: A big bowl of ice cream.

If I could, I'd change places with: Pam Anderson. She's so pretty and has really made it. She can do what she likes when she likes.

If I could change myself: I'd learn not to be so tough on myself.

Three words that best describe me: Dependable, sentimental and sensual.

Barbara Moore

Vital stats: 36-24-35 • 5'6" • 110 lbs. • 8/21/68

Home: Los Angeles, CA

Ambition: Invest young, retire early and travel to many exotic, erotic sites.

As a kid, I was: Brilliant, dangerous, jaunty, precocious and mischievous.

Favorite childhood memory: My dad's a pilot. Every weekend he would take us up in his seaplane. It was much better than any roller coaster could ever be.

Turn-ons: A man with a slow hand, but who knows when to pull the trigger.

Turnoffs: Stinking, picking, smacking, cracking and whacking.

A perfect day: Starts with a sensual massage, continues with lunch at the top of the Eiffel Tower and ends with me picking up a Frenchman on the way home.

Hobbies: I am on an equestrian team and I love to salsa.

Special awards or honors: MVP on my high school varsity softball team.

Three words that best describe me: Loyal, witty and highly motivated.

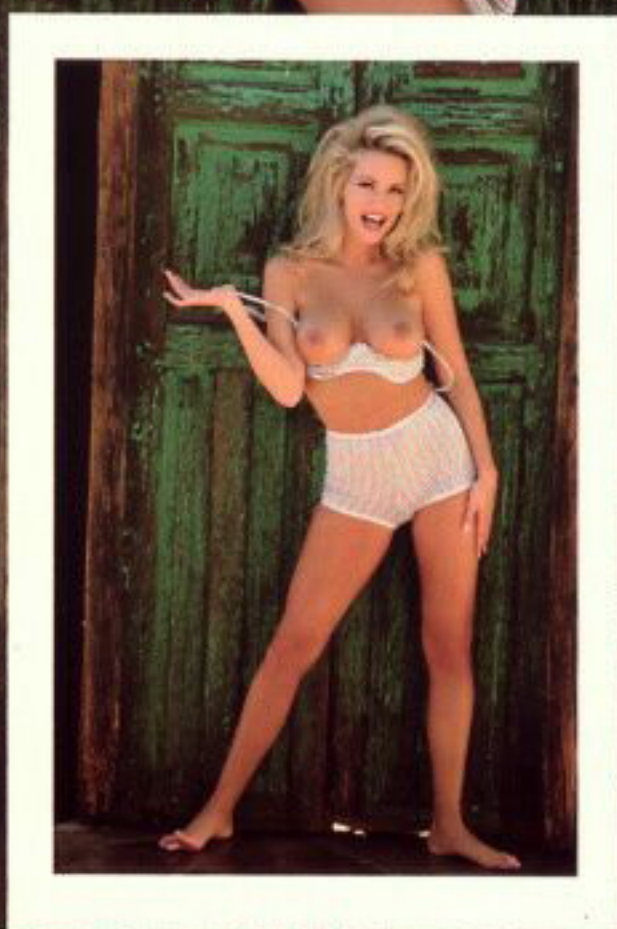

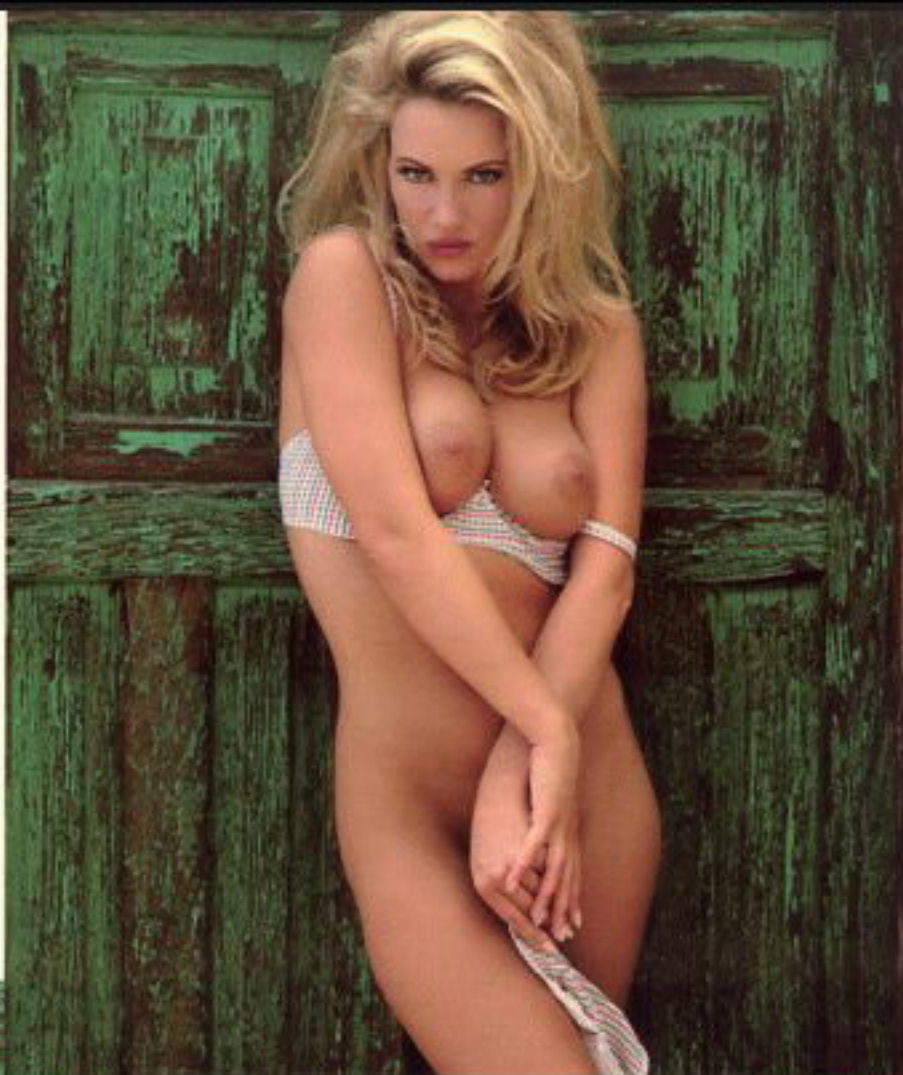

Recent TV or film appearances: *Baywatch*, *Baywatch Nights*, *High Tide*, *Platypus Man*, *Comic Strip Live*.

My last meal would be: Just the check. I'm on my way to heaven.

Christina Leardini

Vital stats: 34-23-34 • 5'8" • 109 lbs. • 1/22/69

Home: St. Petersburg, FL

Turn-ons: Simple kindness, heart-to-heart talks, soft, slow kisses and laughing until I cry.

Turnoffs: People who don't smile, men who can't be trusted and those girls who have their eyes on your guy.

My last meal would be: Messy, meaty, cheesy, saucy—anything but vegetables!

Contradictions: My personality doesn't match my looks. I'm a nerd trapped in a model's body.

Carrie Westcott

Vital stats: 34-26-35 • 5'8½" • 125 lbs. • 12/28/69

Home: Los Angeles, CA

As a child I was: A loner, writing poetry, playing records, daydreaming.

Turn-ons: The ocean, walks in the rain, hot tubs, bubble baths and swimming pools. There's something about being naked in water.

Turnoffs: People who are beautiful on the outside but empty on the inside.

Cori Nadine

Vital stats: 35-24-35 • 5'7" • 110 lbs. • 7/15/70

Home: Glen Cove, NY

Ambition: I want to get on a sitcom. And I will!

As a kid I was: A rebel, a tomboy. You could always find me in a tree somewhere.

Worst advice my mother gave me: You've got to let things happen. (No way! You've got to take control and make them happen.)

Turn-ons: Big biceps, mouths, fast cars, tropical weather, sweat and, of course, my boyfriend.

Turnoffs: Loud people, arrogant men, jealous women, selfish people, touchy men, rude comments, insecurities.

Favorite sport: Football. I'm a diehard Raider's fan, be it in Oakland or L.A.

My last meal would be: Thin-crust pizza and a pint of Cherry Garcia.

Three words that best describe me: Loyal, real and erotic (or so I hear).

Personal accomplishment: I got my body fat down to 10 percent.

Recent film and TV appearances: I just shot a movie with Kathy Ireland called *Hello She Lied*. Also did the trailer for MTV movie awards.

On lingerie: For every day, I love white garters, panties and bra against a good tan. But to show off to the world, I often wear short skirts with just a hint of black garter showing. My favorite place to shop? Frederick's of Hollywood.

Turn-ons: The smell of freshly cut grass, thunderstorms, watching a man laugh.

Turnoffs: Men with one-track minds, men who can only talk about their car, their hair, their band or their jobs.

Lisa Boyle

Vital stats: 34-24-34 • 5'6" • 111 lbs. • 8/6/64

Home: Los Angeles, CA

As a kid I was: SHY! SHY! SHY! Introverted, but loved to perform in dance and gymnastic classes.

Recent achievements: Cover girl for the October '95 PLAYBOY. Parts in *Silk Stalkings*, *High Tide*, *Showgirls*, *The Nutty Professor*, and *Bad Boys*.

Christy Carrera

Vital stats: 34-21-32 • 5'3" • 105 lbs. • 12/17/71

Home: Phoenix, AZ

Ambition: To be a great high school teacher, get married and hopefully have twins.

As a kid I was: Very independent. As a teenager I was always getting into trouble.

Favorite childhood memories: My dad would play the piano and my younger brother, sister and I danced around, sang and acted silly.

Most exciting moment: My first skydive. What a rush!

Ideal man: Blue eyes, great sense of humor, thoughtful, kind, physically fit. Good looks would be nice.

Hobbies: I love to jet ski and water ski.

A perfect day is: No zits, no stress and lots of sunshine.

Dream vacation: A week on a tropical island, running around the whole time in the buff.

Three words that best describe me: Sensitive, outgoing, independent.

Recent modeling jobs: The swimsuit issue of *Muscular Development* magazine.

My last meal would be: A cheeseburger, large fries, large Coke and a chocolate sundae.

Ava Fabian

Vital stats: 34-24-34 • 5'7" • 116 lbs. • 4/4/62

Home: Los Angeles, CA

Ambition: To give up my career someday, settle down and have a family. I'd love to teach nursery school or kindergarten—really love kids.

Turn-ons: Men in uniforms, whipped cream, massages, flowers, big fluffy pillows, the ocean.

Turnoffs: Selfish, abrasive, people, liars and cigars.

Ideal evening: A roller-coaster ride at an amusement park. Then a quiet, candlelit dinner with lots of champagne. And then? Maybe a roller-coaster ride in bed.

On lingerie: What little lingerie I have is all expensive European stuff. For a really special date, I'll haul out my \$500 Italian lace G-string panties and bra. I'm 33, so I'm past letting my ass or boobs hang out, but a little peek at a beautiful lace bra under a low-cut blouse is still part of my dress-to-kill plan. In bed, give me Calvin Klein 100 percent cotton boxers anytime.

My last meal would be: Hands down, my mom's spaghetti and meatballs. Yum!

Three words that describe me: Down to earth.

Special awards or honors: I was voted Most Beautiful and Best Body in high school.

Recent film or TV appearances: The movies *Ski School* and *Tales From the Crypt* and TV's *Sweating Bullets*. I'll be in Mexico for several months appearing on a game show called *TeleMillion*.

Kimberly Paul

Vital stats: 36-25-36 • 5'7" • 125 lbs. • 12/30/66

Home: Columbus, OH

Ambition: I've been close to marriage twice. Haven't made it down the aisle yet, but still hope to have a husband and family someday and be very happy. My career direction has changed so often, I don't have a clue anymore what I want. Just taking what comes my way.

As a kid I was: Hyper, and even then a ham in front of the camera.

My last meal would be: Pizza—with the works! For dessert, anything chocolate.

Ideal man: Honest, fun, my best friend.

Three words that best describe me: Faithful, fun and stubborn.

Recent magazine appearances: Lately I've specialized in fitness modeling and am proud to have made the cover of the swimsuit issue of *Muscular Development*.

If I could change myself: I'd age backwards and be 18 again.

Wendy Hamilton

Vital stats: 35-24-36 • 5'10" • 123 lbs. 12/20/67

Home: Los Angeles, CA

Ambition: To be successful, prosperous and the only stress-free person in L.A.

As a kid I was: Taller than all the boys and I had these embarrassing breasts. I never had a boyfriend. Puberty was awful.

Ideal man: Funny, kind and a little dangerous—a bad-but-good boy. He has long hair, full lips, nice butt and strong hands to hold me.

Turn-ons: Rock and roll, warm weather, high-performance vehicles and kisses on the wrist.

Turnoffs: Doing laundry, paying bills, wet socks, dirty bathrooms, flat tires and speeding tickets.

On lingerie: Give me silk! I especially love the feel of it on my skin.

Kerri Kendall

Vital stats: 36-22-33 • 5'5½" • 110 lbs. • 9/25/70

Home: San Diego, CA

Ambition: To become more worldly, but never change inside. To stay myself—always.

Turn-ons: Summertime, a sense of humor, beautiful eyes, long hair.

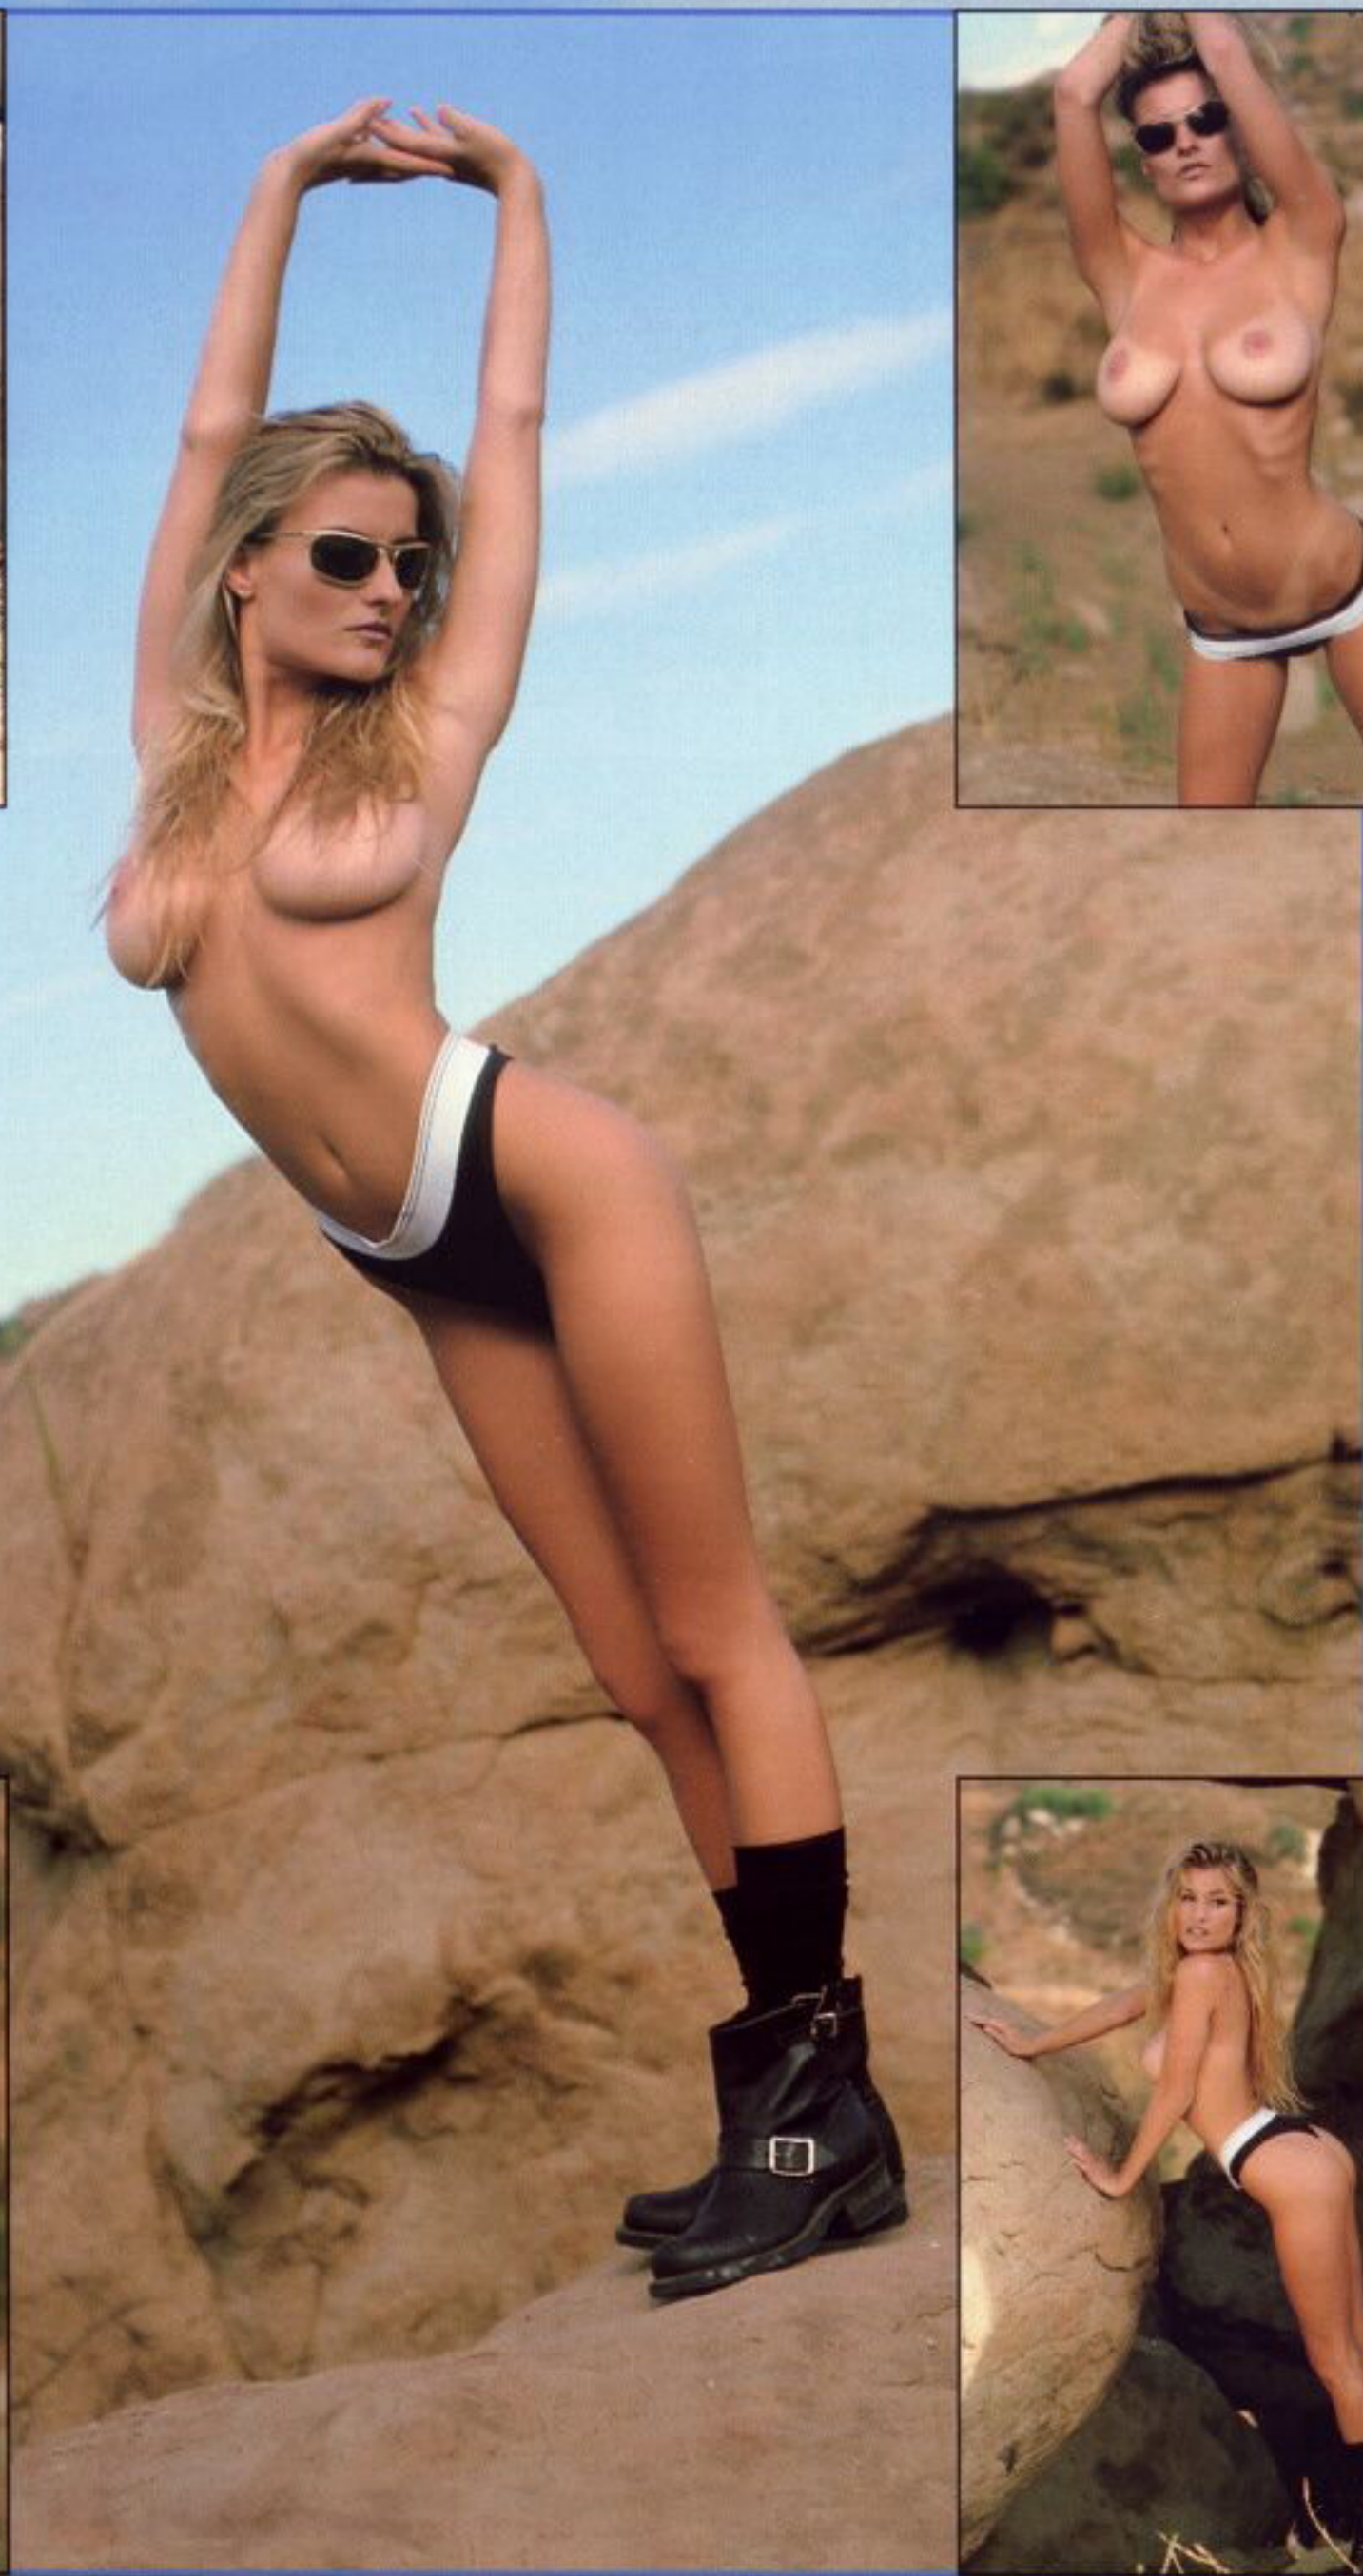

Turnoffs: Materialism, intimidating personalities (people who have to put you down to build themselves up), dentists.

Ideal man: A good tan, a great body—the natural look.

Ideal evening: A bottle of champagne, bubble bath with my man and a little imagination!

It bugs me: That women get very competitive around me. The minute they see me, they assume that I'm going to try to steal their boyfriends. At parties, I usually end up hanging out with the guys, because the girls won't talk to me.

Suzi Simpson

Vital stats: 36-23-34 • 5'5" • 100 lbs. • 11/16/68

Home: Beverly Hills, CA

Hobbies: Interior design, making jewelry, writing, anything and everything with my boyfriend.

As a kid I was: Hell on wheels. Very much a tomboy.

Best advice my mother gave me: Hover over that toilet like a helicopter. Don't touch anything!

Ideal man: Kind, funny, intelligent, sexy, my best friend.

Turnoffs: Prejudice, men on the beach in "nut-hugger" swimsuits, jackal breath.

Most embarrassing moment: As homecoming queen, tripping over my slip as I walked off the stage.

Favorite sports: Running, boating, riding horses, all beach activities.

My last meal would be: Peppermint stick ice cream, sweet corn cake, grilled eggplant and a hot dog.

If I could change myself: I'd change my inability to stay focused. Every time I get good at something, I move on to something else.

Gody Hoskins

Vital stats: 36-24-36 • 5'8" • 120 lbs. • 8/24/67

Home: Batavia, IL

Ambition: To open my own antique store, continue my modeling career and be the next Minnesota Viking starting quarterback. Move over Warren!

As a kid, I was: A mischievous tomboy. Always in trouble. Liked sports, always outdoors.

Favorite childhood memory: Sunday football games with my grandparents, camping and fishing with my dad and necking under the barbeque with Billy.

Turn-ons: Candlelit dinners, moonlight walks and Paul Newman.

Turnoffs: Ignorant, ostentatious people, the Northstars moving south and people who drive slow in the passing lane.

On lingerie: Strange coming from a lingerie model, but except for black thong bikini panties, I don't wear it that much. Most of my best stuff hangs in the closet until my next assignment. Hope it doesn't shatter any illusions, but you'll usually find me sleeping in flannel shirts, boxer shorts—or in the nude.

My last meal would be: The All-American burger, fries and plenty of ice cold beer.

If I could change: I'd eat a healthier diet.

Three words that best describe me: Caring, creative, real. (And a bit of a smart aleck.)

Ideal man: Athletic, great sense of humor, confident, well mannered and good family values.

Personal accomplishment: Learning to set that damn clock on the VCR!

Samantha Dorman

Vital stats: 36-25-36 • 5'10" • 135 lbs. • 3/21/68

Home: Los Angeles, CA

Ambition: To work in marine biology and stay happy.

Turn-ons: Travel, pink roses, animals, sunsets, clean air, sharing good times with good friends.

Turnoffs: Environmental abuse, ignorance, people who can't be trusted.

Ideal man: Intelligent, honest, kind at heart, athletic, physically fit. In my younger days I admired flashy guys in expensive cars, but along the way I found out that most men like that are jerks. Now I'd much rather be with an ordinary guy who has a good sense of humor.

My last meal would be: Seafood, vegetables, popcorn and chocolate chip cookies.

Personal heroes: My mother and father, Jacques Cousteau and Jane Goodall.

Danielle Wheeler

Vital stats: 34-23-33 • 5'3" • 8 stones • 5/2/74

Home: Hertfordshire, England

Ambition: I'd like to be a set dresser in the film or stage industry. It offers variety and a place where I can put my artistic talents to good use. I'd love to get to L.A., the center of the film industry. That's where I see my future career.

Favorite sports: Swimming—at least twice a week—and dancing with friends.

Ideal man: Age and occupation are not important as long as he's understanding and trustworthy, has a good personality and is fun to be with. He has to be understanding of the long hours I sometimes have to work.

Three words that describe me: Reliable, caring and friendly.

If I could change myself: I wouldn't take what others say too much to heart.

Personal goals: Socialize more with friends and family, join a fitness club, definitely travel, draw more often and learn another language.

Turnoffs: Rude people, the car not starting when I'm running late, missing the phone.

Alley Baggett

Vital stats: 34-23-33 • 5'2" • 102 lbs. • 7/14/73

Home: Addison, TX

As a kid I was: Outgoing, very much a tomboy. I hung out with guys a lot.

On lingerie: Gold complements my skin and hair, so my favorite lingerie is a gold bustier and garter belt, sheer nude stockings and black high heels—no panties. Once at a restaurant, I had panties on and my boyfriend dared me to take them off, right there in public. I not only took them off, I sling shot them across the table at him!

Turn-ons: High speed and sunbathing.

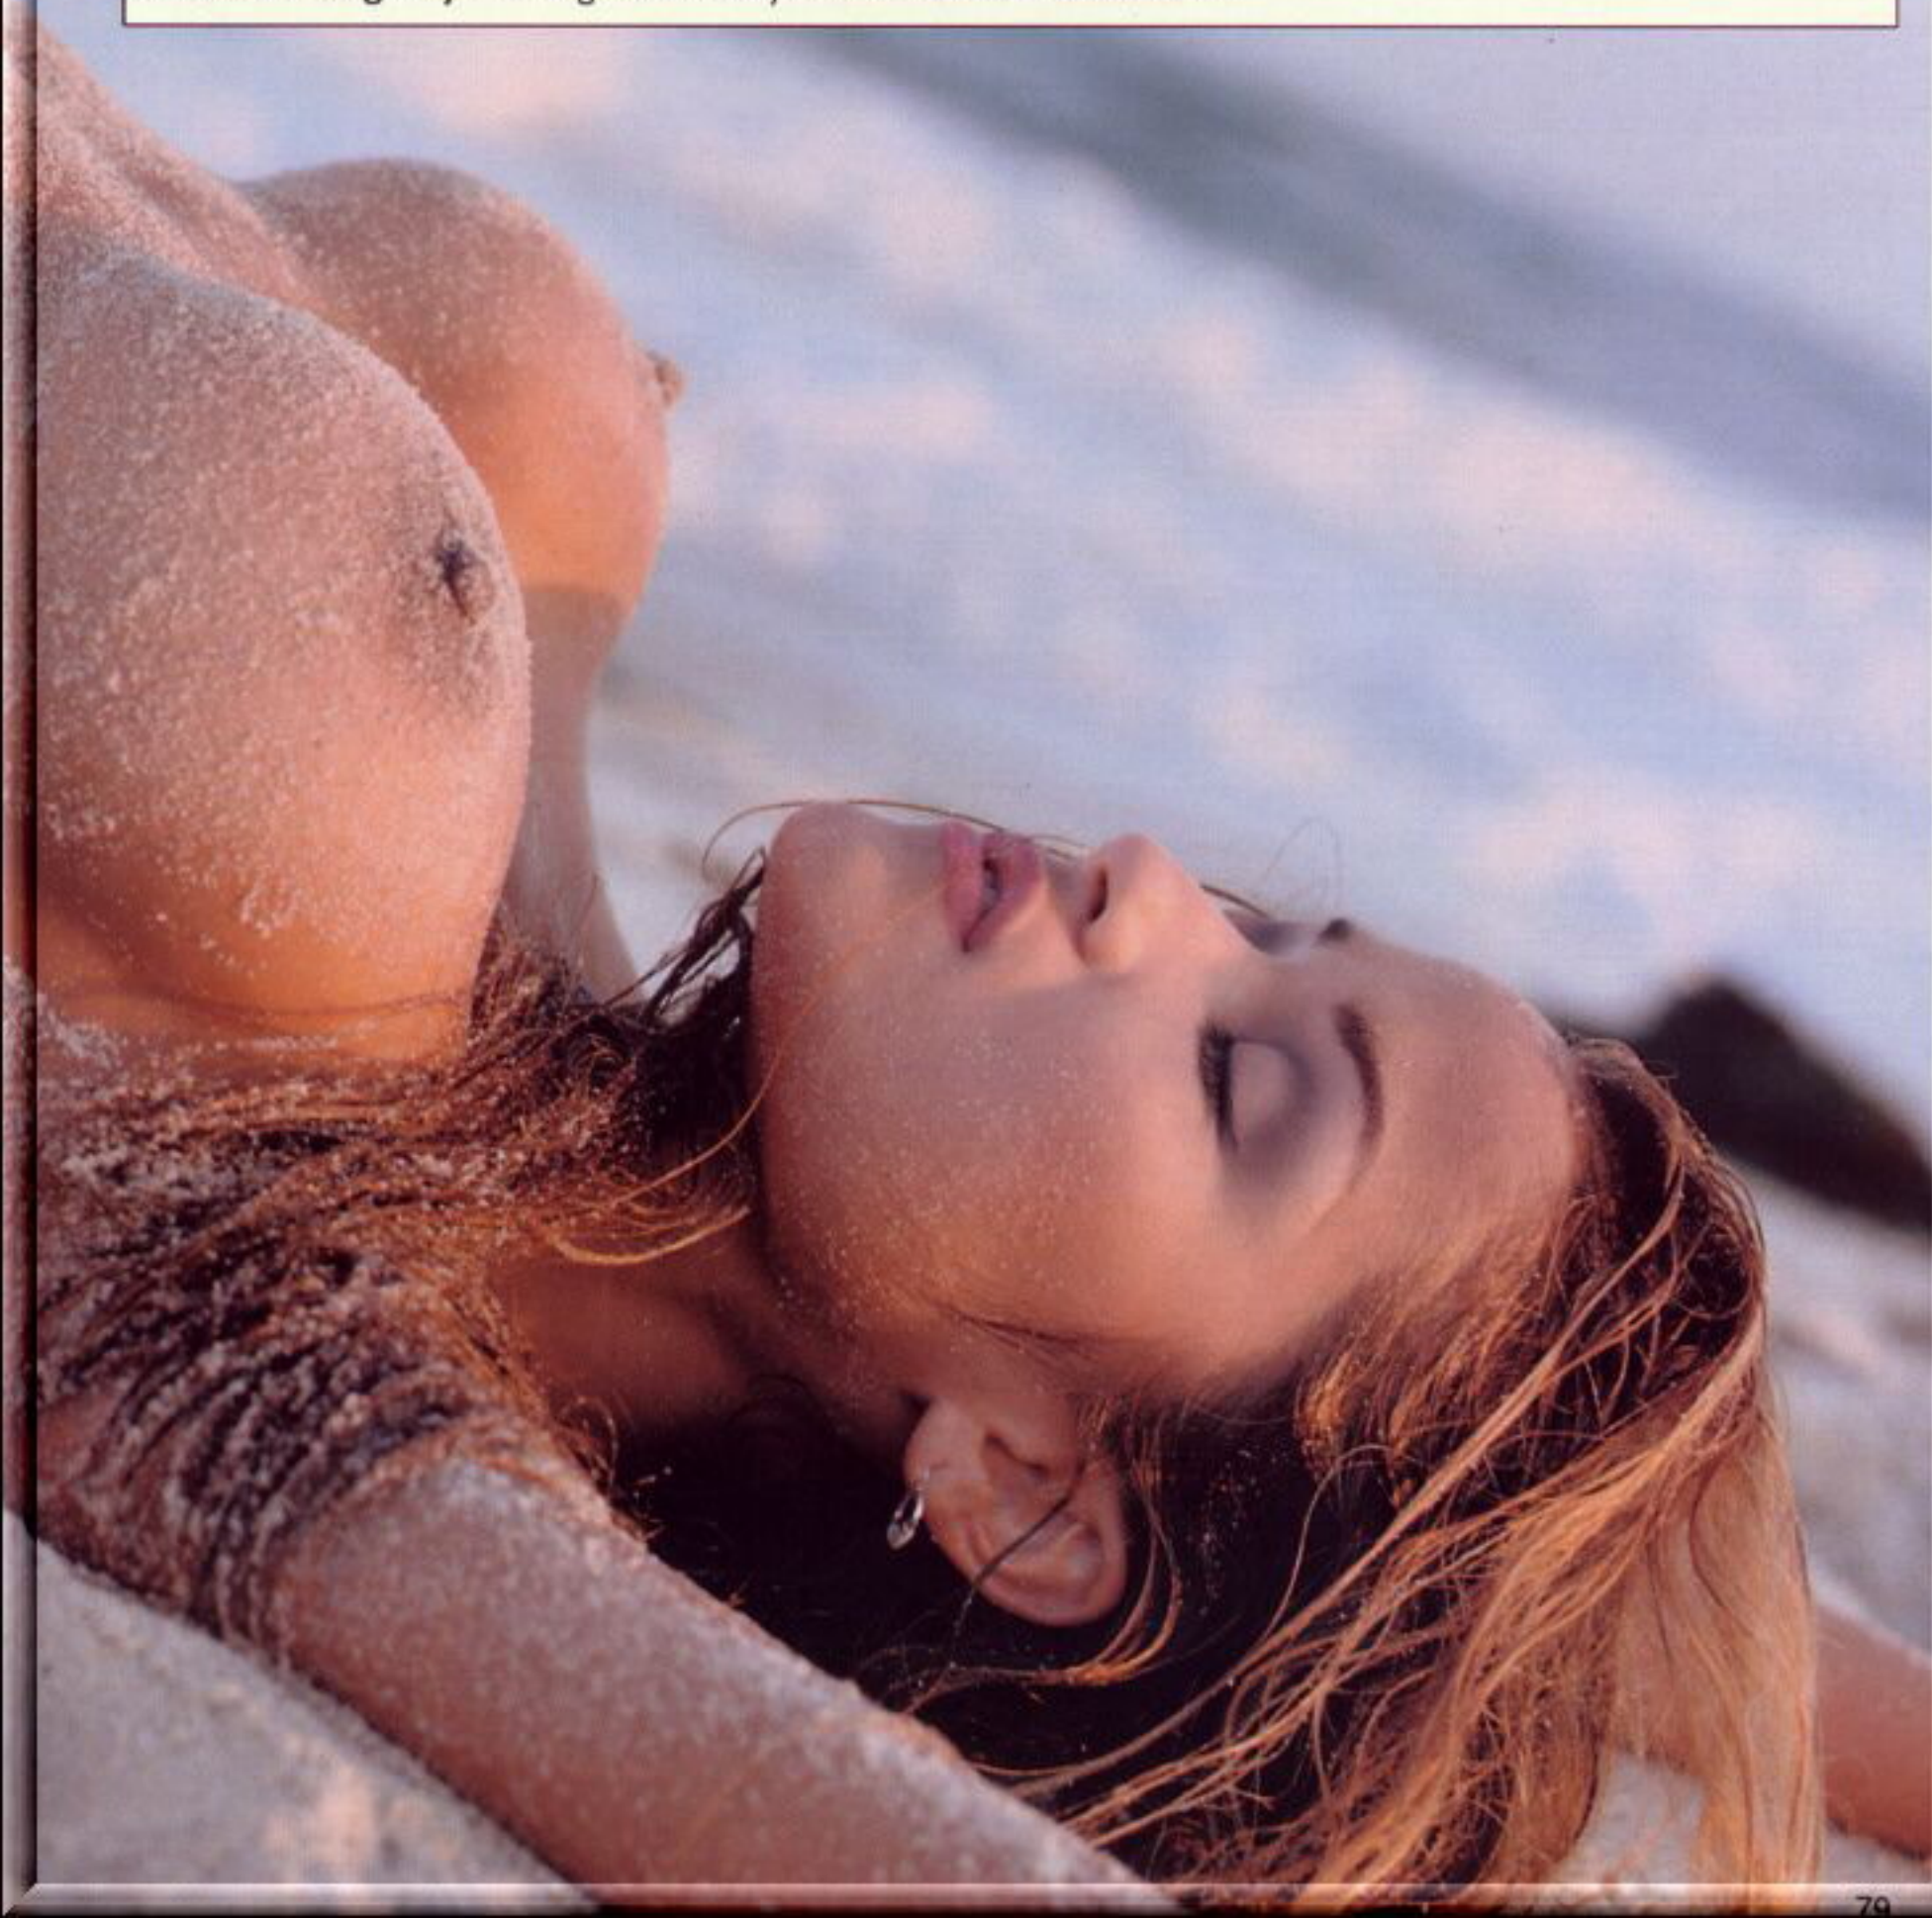

Turnoffs: People who don't smile, people who don't listen, prejudice and jealous men.

My last meal would be: Filet mignon, lobster, a nice big baked potato and cheesecake with fresh fruit. Can ya'll tell I'm from Texas?

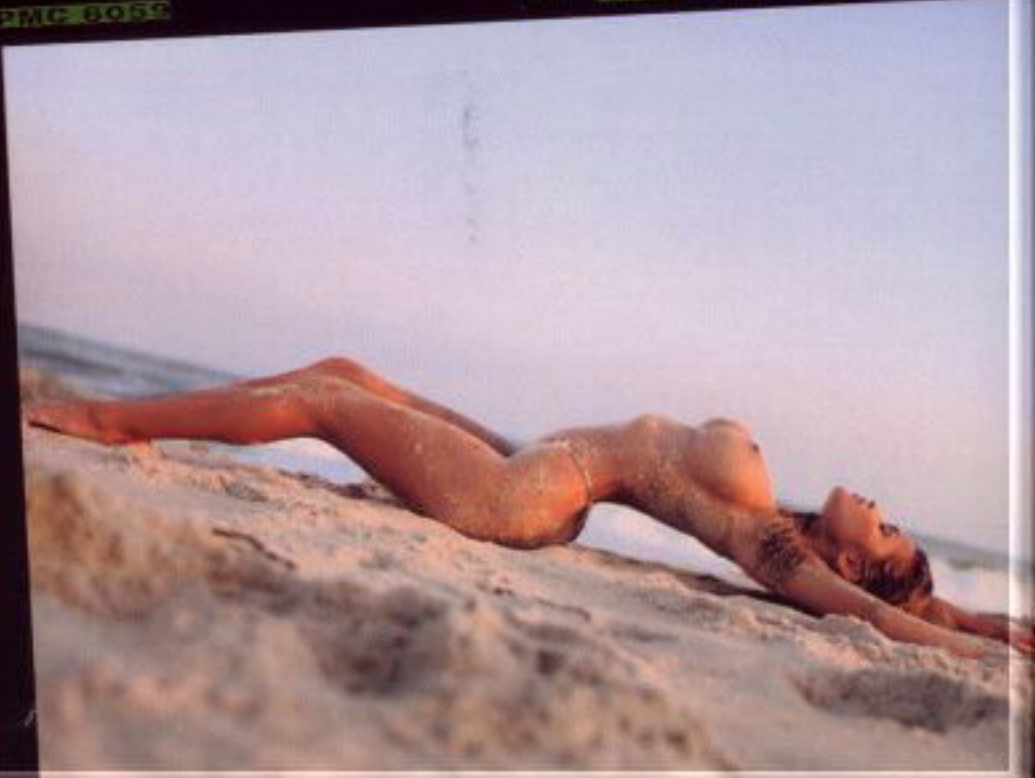

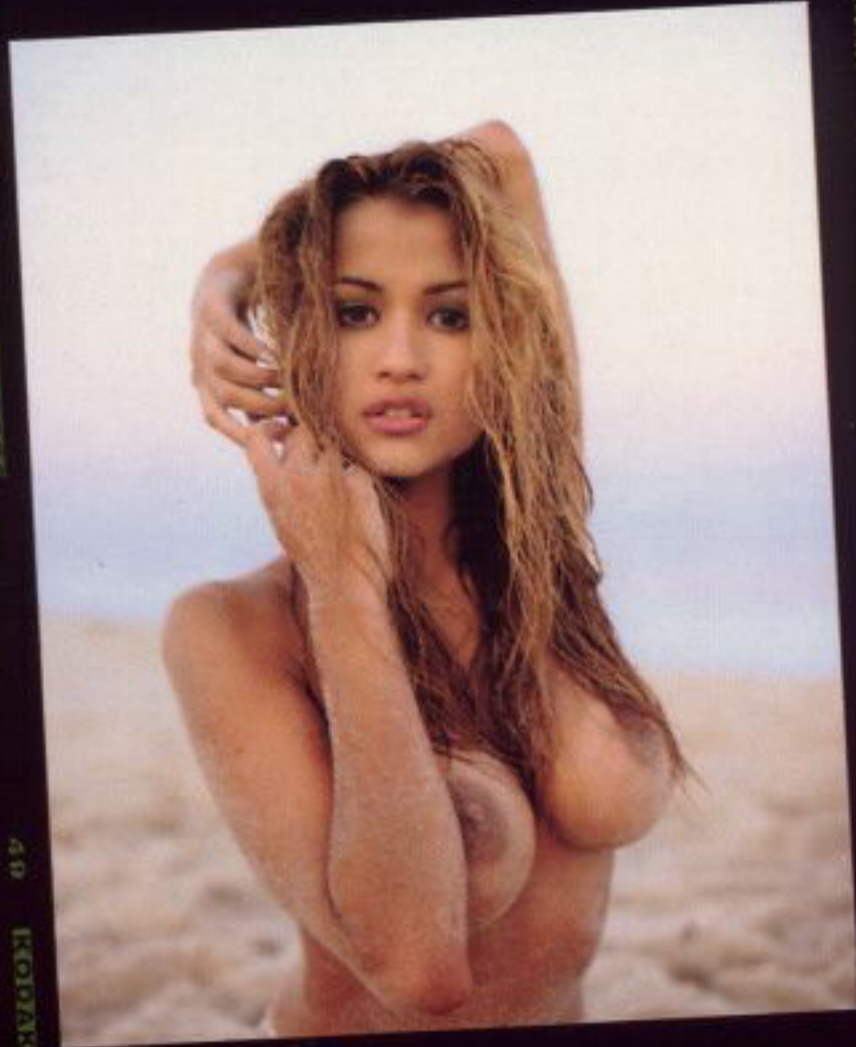

Special awards or honors: I won Miss Texas Teen U.S.A. in 1990.

Recent film or video appearances: PLAYBOY's *Girls of Hooters* video.

If I could change myself: I'd grow. I'm only 5'2". I'd like to be at least 5'5".

Rachel Jeán Marteen

Vital stats: 34-22-35 • 5'7½" • 123 lbs. • 1/31/70

Home: Kennesaw, GA

Favorite childhood memory: Being raised on a farm, enjoying each simple day of farm life—milking cows, taking care of chickens, goats, pigs, horses. Also, those endless summer nights catching lightning bugs.

As a child I was: Very spirited, outgoing. I was always moving, never sedentary.

Ambition: To complete my undergraduate degree, attend physical therapy college and strive to become a successful actress.

Turn-ons: Intelligence and honesty, great gluteus maximus, men in Armani suits and Calvin Klein briefs, the ballet, Hawaiian sunsets and outdoor Jacuzzi bubble baths.

Turnoffs: People who stereotype others, people who lack ambition or goals, all drugs and macho men who constantly brag on their bodies.

On lingerie: My taste leans toward simple, elegant, feminine lingerie in matching colors. Any color. What I wear on the outside determines what color is underneath. Georgia is conservative, so I don't let it all hang out.

Three words that best describe me: Diligent, humble, energetic and—one more—spiritual.

My last meal would be: A gourmet buffet with every type of delicacy imaginable.

Natalie Duggan

Vital stats: 36-23-33 • 5'6" • 106 lbs. • 11/2/64

Home: Honolulu, HI

Ambition: To be a successful actress and live the lifestyle of the rich and famous happily ever after between New Zealand, Hawaii, L.A. and Connecticut.

As a kid I was: A tomboy, climbed everything I saw. Also very shy and polite.

Favorite sports: Boxing (my grandfather, Joe Duggan, was a boxer in the 30s) and track and field. I was voted female MVP of the high school track and field team.

Hobbies: Photography. I've been shooting all my friends and the photos are turning out great—especially the sexy ones!

Most exciting moment: My very first speaking part, with Lee Majors.

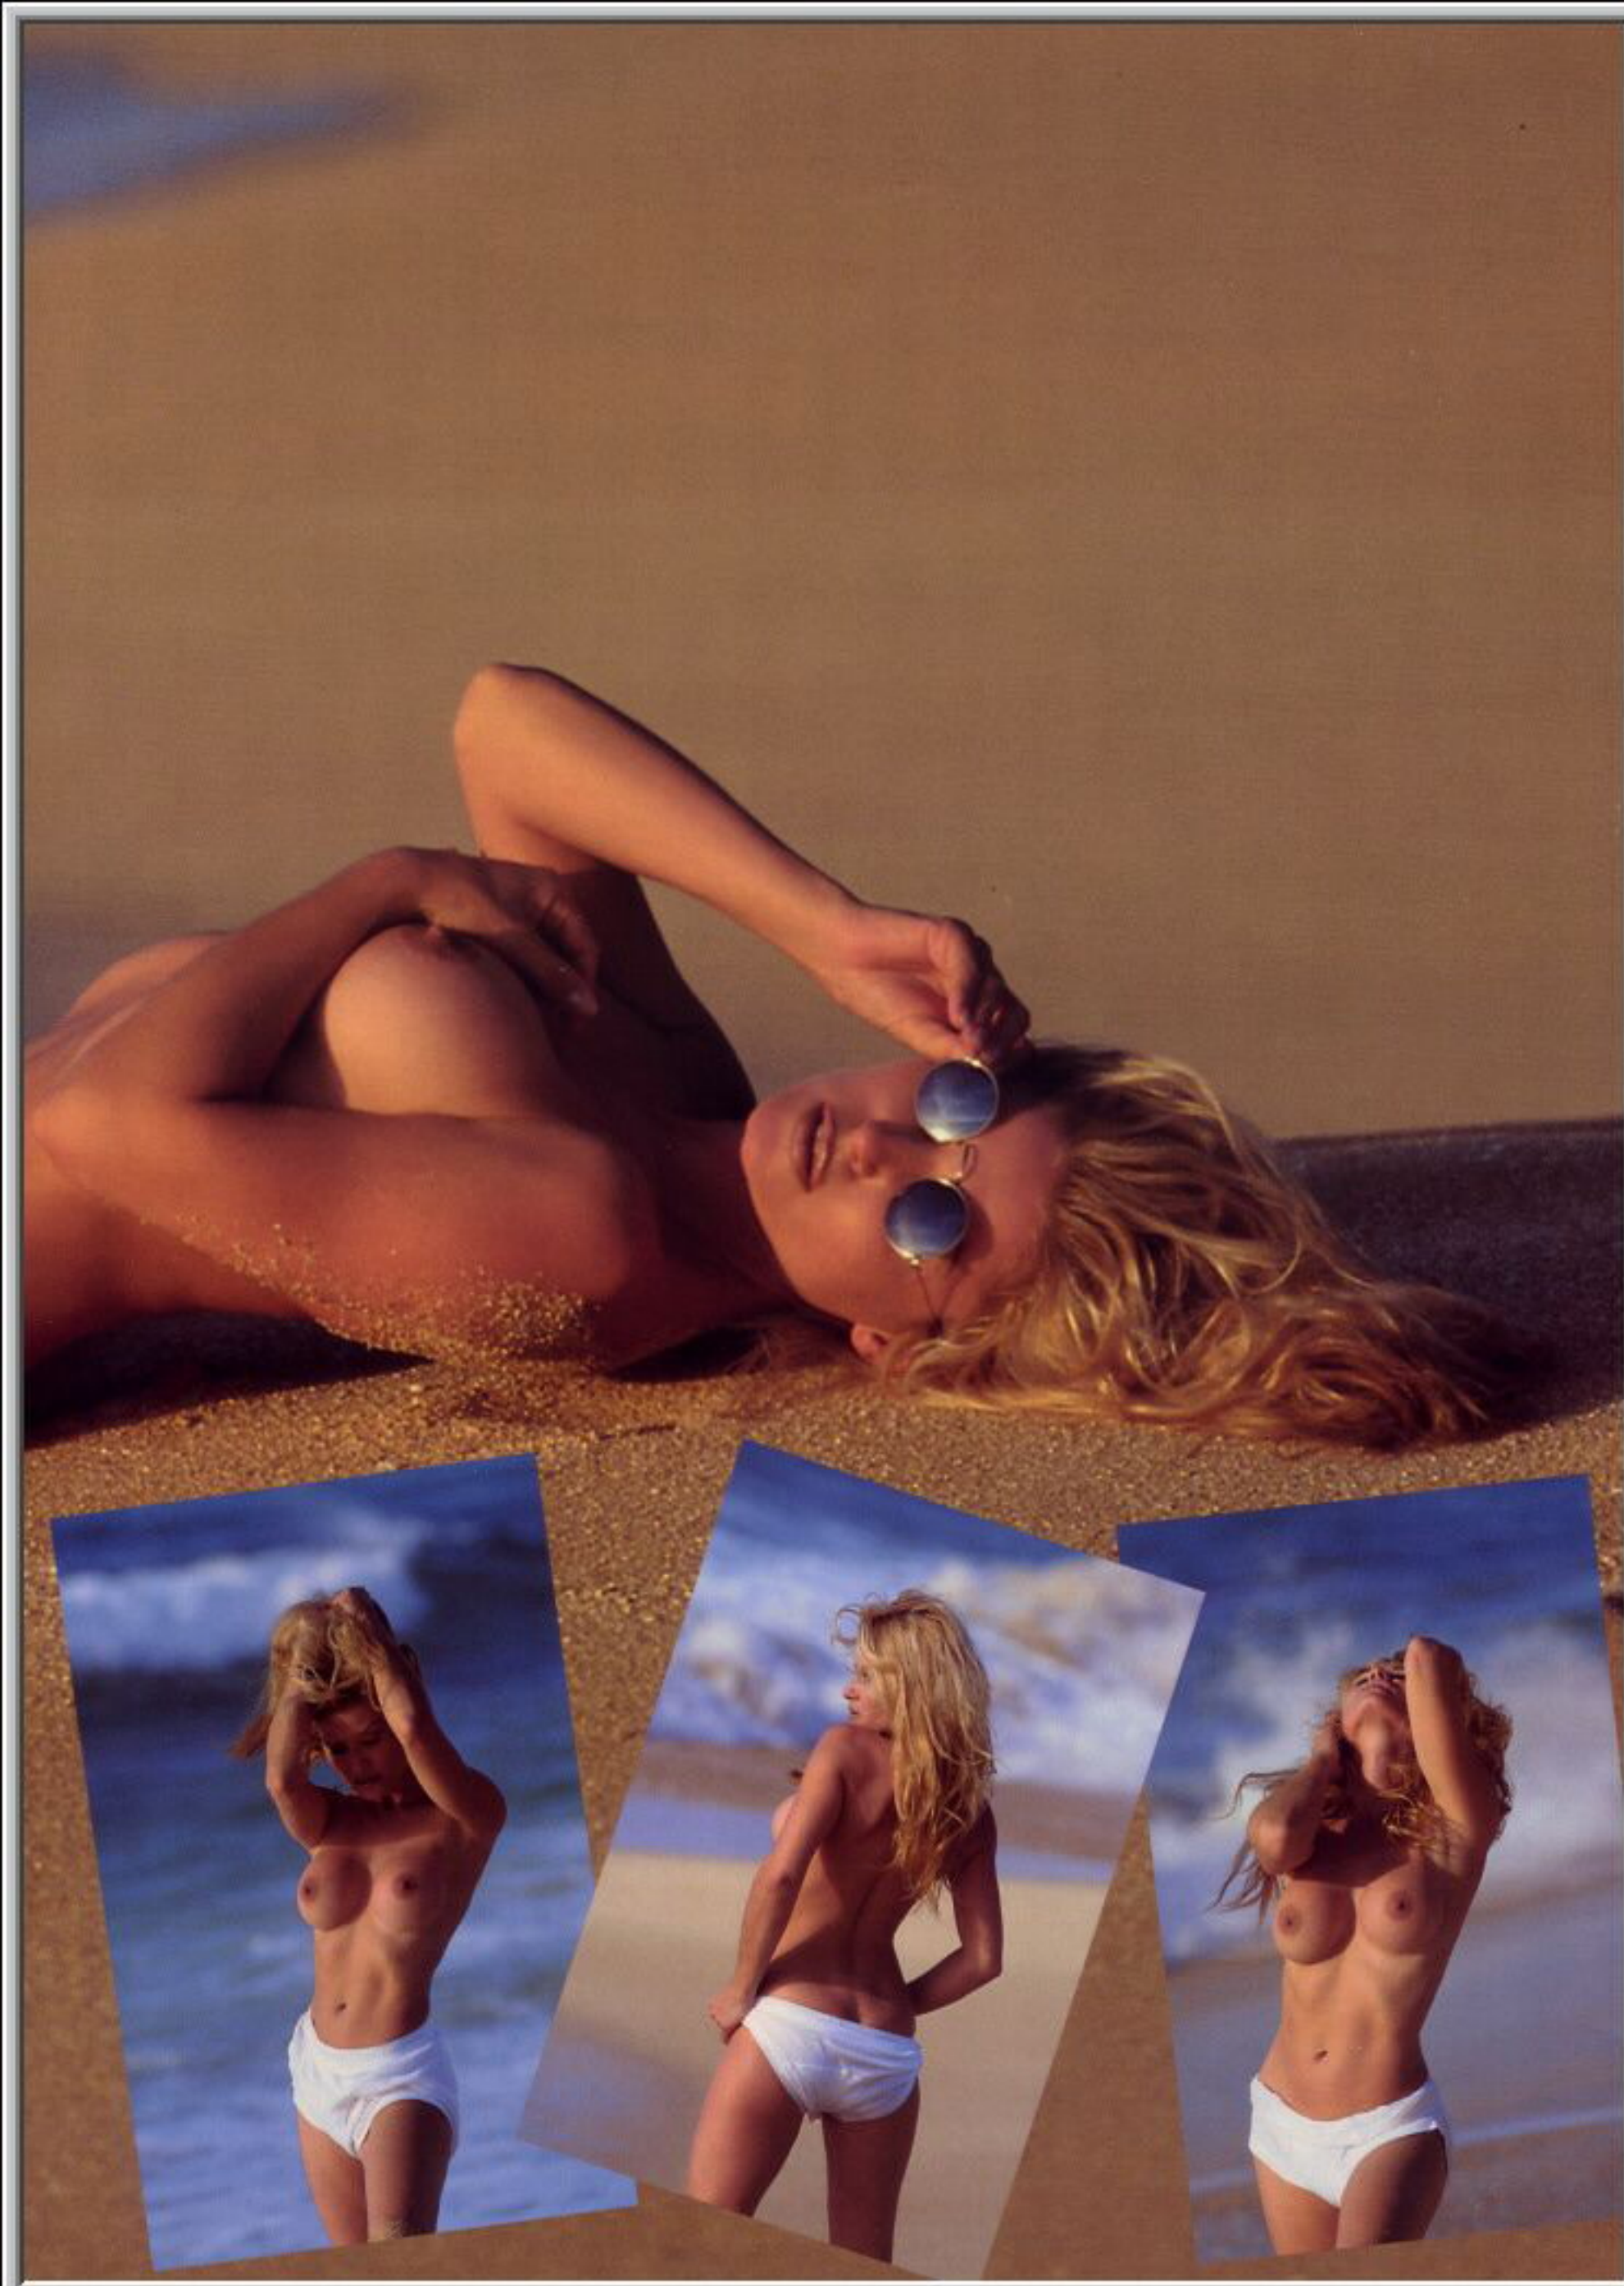

My last meal would be: Pizza.

A perfect night is: Old-fashioned. Get dressed up, dinner, then a show, a walk on the beach.

Ideal man: Ambitious, athletic, sexy and sincere. And he has to love to laugh.

Three words that best describe me: Ambitious, romantic and loyal. Can I add a fourth? Can't leave out independent.

Recent TV or film appearances: *The Racer* (a Jackie Chan film), *One West Waikiki*, *Guilty Until Proven Innocent*.

Petra Verkaik

Vital stats: 37-24-35 • 5'8" • 120 lbs. • 11/4/66

Home: Beverly Hills, CA

As a kid I was: Funny, fearless, friendly.

Ideal man: Supportive, understanding, good looking, honest, funny, cute.

On lingerie: At home I like see-through baby-doll tops in blue. I'm shy about wearing lingerie out, but I wear it for my boyfriend. In fact, he wears it, too. I know it sounds kinky, but he looks great in fishnet stockings.

My last meal would be: Sushi.

Three words that best describe me: Honest, friendly and ambitious.

Dream vacation: To see the Seven Wonders of the World.
